

# Attaching Documents in the Pakistan Online Visa System

When applying through the Pakistan Online Visa System, you will be required to upload supporting documents (e.g. passport, photograph).

This guide explains the steps for attaching supporting documents to your Visa Application. You can upload the picture and supporting documents by repeating the procedure below.

**Allowed file types: JPEG, JPG, PNG**

**Allowed file size: 350 KB**

## Attaching Documents to an Application

1. Login to your Pakistan Online Visa System account.
2. When you reach the Document Upload section, follow the steps below:

The screenshot shows the 'Application - VISA' interface for user 'raza.syed.abid@gmail.com'. A progress bar at the top indicates 80% completion. The navigation menu includes: Application info, Personal info, Family info, Finances & Employment, Travel History Info, Visit info, Documents / Photograph (active), Review, and Payment. The main section is titled 'Upload Your Supporting Documents' and contains the following instructions:

- Before uploading the documents, review the document upload guidelines available [here](#).
- Photographs of supporting documents taken from the digital camera or mobile phones are also acceptable.
- Only jpg, jpeg and png file formats are accepted.
- Document size should not be more than 500 KB.

**Supporting documents upload steps**
